"Thank you so much for all your hard work to make our day so perfect. Everything was amazing and we wouldn't have changed a thing...you were worth every penny. Our day was truly memorable and everyone had so much fun. The marquee was such a hit with all of your decoration ideas...thank you"

Anne & Simon Young, Bride & Groom, August 2009

"Without your expertise and knowledge of the wedding circuit would have made it a lot harder for us to achieve our big day. You helped it to go smoothly, stress free and as planned. We are very grateful for all of your help and would recommend you to anyone planning their wedding."

Michelle & Marco De Silva, Bride & Groom, June 2009

"With you involved in the final arrangements we were able to relax and really enjoy the run up to our big day. Nothing we asked was too much trouble...and it was such a relief to have you present. I've been recommending you to frazzled brides ever since!"

Richard & Tasha Gaudin, Bride & Groom, May 2009

"We had a fantastic day and we have had so many comments about how well organised the day was. Having you onboard enabled us to relax and enjoy the day knowing that you were on hand if needed. A very big thank you for all you have done."

Clare & Cameron Purcell, Bride & Groom, September 2008

"On behalf of the Jersey Construction Council, my awards committee and from me personally, I write to thank you for delivering a hugely successful event...It was clearly our most successful year to date...The way the event was organised from the launch through to the evening itself is largely down to the Chique team...Your professionalism in delivering our flagship event for the year was admirable."

Steve Jewell, Jersey Construction Awards Chairman, July 2008

"I think it is a slight understatement to say that the Enterprise Awards this year set a new standard and created a 'wow' factor previously unseen by a Jersey audience. The feedback from Economic Development, the sponsors and numerous guests has been extremely positive and that's due in no small part to your efforts and professionalism throughout both the planning stages and on the evening itself."

Christine Holmes, Profile Project Management, February 2008

"When I say it was the day of our dreams; that is an understatement. You made everything so perfect. Everything went exactly to plan thanks to you and your hard work."

Liane & Sean O'Leary, Bride & Groom, August 2007

"Thank you so much Claire for every amazing detail you thought of, for your wonderful organisation, your endearing patience, your tirelessness and of course, your fun! For someone who organises weddings day in, day out you made us feel like ours was the most special wedding you had organised – that was a very special gift."

Sam Brewer, Bride, July 2007

"Thank you for being such a key part of our wedding – for your advice, organisation, patience, calmness and your friendship. We felt reassured, guided and utterly confident that every detail had been covered. In particular we were so grateful for your gentleness and genuineness: You have a wonderful way of communicating which we so appreciated."

Dianne & Alan Cousins, Bride & Groom, February 2007

"You really helped us take the shortcut by relieving all the pressure from us and enabling us to keep up with our busy schedule at work....What we admired most was your enthusiasm and your attention to detail...You really helped us create a very unique laid-back relaxed atmosphere that we will remember for the rest of our lives."

Jeanett & Peter Trenchard, Bride & Groom, September 2006

"Your pre-wedding management was exemplary...on the day itself you handled everything with great professionalism and discretion, allowing all the wedding party to relax and enjoy themselves....I certainly recommend every mother of the bride to have a 'Claire' onside."

Kate Parker, Mother of Bride, August 2006

"Claire, you became a good friend to us both and absorbed all of the pre-wedding tension so we were free to enjoy our day. We were not aware of one single problem...everything ran like clockwork. This was not good luck, but down to your fantastic planning."

Amanda & William Amies, Bride & Groom, March 2006

"Neither of us worried at all on our special day and indeed you were ten steps ahead of everything. Being a bride and planning your very special day is something that every girl dreams of and can be extremely daunting. To have you help, guide and assist us all the way was totally reassuring."

Ornellia and James Matthews, Bride & Groom, August 2005
